Dear [redacted] STAT

Thank you very much for passing on the information about [redacted] STAT The director of our junior officer training program is interested in both of them and in fact [redacted] STAT who is in town, has an appointment with him tomorrow.

Thanks, too, for the invitation to participate in the political science colloquium. I should certainly be delighted to do so, but at the moment I can't see my way clear to coming down your way in the foreseeable future. Nevertheless, I have your rain check securely tucked away in my wallet.

Cordially,

Claude E. Hawley
